

Q-Line 20W Linear LED Fitting 600mm

Product Description

If you're looking for an incredibly simple yet energy-efficient lighting solution, you should look no further than this 20W Linear LED Fitting 600mm from Mirrorstone.

This linear fitting has been made with both quality and robustness being of equal importance. It boasts a white, premium aluminium shell which means it will co-ordinate with any type of modern décor. At 580mm long, 80mm wide and with a depth of just 36mm, this fitting will go virtually unnoticed when it is attached to your wall or ceiling.
