

Plexus 50W 4ft Batten Light

Product Description

The Plexus 50W 4ft Batten Light from Mirrorstone is the perfect option for any large, open commercial space, such as a supermarket, office or even classroom.

The long length and high power results in an incredible 6000 lumens of light, and will last for around 40,000 hours, that's well over a decade of use!
