

Plexus 60W 5ft Batten Light

Product Description

The Plexus 60W 5ft Batten Light from Mirrorstone comes from a range of modern fittings, that are excellent replacement options for your old fashioned tubes.

Easy to install, this 1500mm x 75mm x 25mm can be surface mounted and has a wide spread of illumination with its 120° beam angle. It shines with 7200lm and is finished in a discreet white.

Choose from Daylight (4000K) or Cool White (6000K) to match your office, classroom or shop floor.
