

Q-Line 75W Linear LED Fitting 1800mm

Product Description

Our Linear LED Fitting 1800mm 75W from Mirrorstone Lighting is a sleek, slim and discreet solution to your commercial lighting needs.

It emits a total of 6500 lumens, and spreads it across a 150° beam angle. This makes it perfect for any large open area, like an office, classroom or supermarket. Its 1780mm size reflects this too.
