Product Description

Coming with sequenced warm white & cool white LEDs, the Mirrorstone 14.4w/m dual colour LED strip light can be used in all domestic installations as well as a wide range of commercial projects. They come with a backing that is self adhesive to be applied to a wide range of surfaces. These strips can also be cut to the nearest 100mm so you can get lengths of strip lights cut to lengths that are specific to your installation.
